Contents

CHAPTER 1

Getting Started

This is where the chapter's real explanation goes -- plain language, short sentences, and a friendly, encouraging tone aimed at a reader who has never done this before. Each major idea gets its own paragraph so the page never feels like a wall of text.

Setting Up Your Workspace

Numbered steps, bulleted lists, and callout boxes carry most of the actual instructions; body paragraphs like this one exist mostly to connect them and explain why a step matters, not just what to click.

This is where the chapter's real explanation goes -- plain language, short sentences, and a friendly, encouraging tone aimed at a reader who has never done this before. Each major idea gets its own paragraph so the page never feels like a wall of text.

A Quick Sanity Check

Numbered steps, bulleted lists, and callout boxes carry most of the actual instructions; body paragraphs like this one exist mostly to connect them and explain why a step matters, not just what to click.

CHAPTER 2

Building Momentum

This is where the chapter's real explanation goes -- plain language, short sentences, and a friendly, encouraging tone aimed at a reader who has never done this before. Each major idea gets its own paragraph so the page never feels like a wall of text.

Keeping Track of Progress

Numbered steps, bulleted lists, and callout boxes carry most of the actual instructions; body paragraphs like this one exist mostly to connect them and explain why a step matters, not just what to click.
